## "Science News"

FELLOWS and Members will be interested to know that the late Dr. R. R. Kuczynski's article under the title "Demography—Science and Administration," first published in the *EUGENICS REVIEW* of April 1945, is now reprinted in full in *Science News*, 8.\*

*Science News* covers a variety of subjects ; this number includes articles on scientific prehistory, eye grafting, contact lenses, what the earth is made of, glass, viscosity, and group psychotherapy.

## Psychiatric Case-Taking Cards

WE have received from Messrs. H. K. Lewis & Co. Ltd. a specimen of the second edition of the psychiatric case-taking cards by Dr. A. Spencer Paterson, which were first published in 1943. They are pocket-size, and sold in a transparent envelope. One side gives the questions asked at the first interview to establish a provisional diagnosis. The other side gives questions put in cases of psycho-neurosis to elicit casual factors in the history. Price 9d.

## Erratum

THE last item in the list of references following the article "Intelligence and Size of Family" in the July 1948 issue of the *REVIEW* (p. 84) should read :
